EQUINE VACCINATIONS & BIOSECURITY

The following Health Requirements must be sent with entry forms and fees:

1. **Proof of Negative Coggins** is required and must be dated within the last 6 months.
2. **Proof of Vaccinations** – Equine Influenza and EHV 1 & 4 (Rhino) within the last 6 months (180 days) but not within 7 days of arrival to the show grounds.

Horses not presenting proof of Vaccinations and/or negative Coggins within the last 6 months will not be allowed to compete. All horses entered in any class at a competition must have met the requirements of Article A519, Vaccinations. See Rules of Equestrian Canada, Section A, General Regulations, Article A519, Vaccinations. (A602.8)

BIO-SECURITY MEASURES

Protecting the health of your horses is of the utmost importance. In addition to the Bio-security Protocol for Vaccination, RDDA has compiled this list of Bio-Security Regulations for decreasing the risk of exposure or spread of disease.

1. **Be sure to adhere to Bio-Security practices**, it's simple steps we all can take to keep horses healthy!
2. **Horses Temperature** is an easy way to monitor your horse. Take and record your horse's temperature twice daily when it is at rest and NOT immediately following exercise and trailering. Horses temperature should be below 102°F.
3. **Monitor your horse(s)** and contact Peak Veterinary Health if you notice any unusual symptoms. Any sick or suspect horses are to be reported to the veterinarian and will be taken to isolation stalls for testing and observation.

DIRECT AND INDIRECT CONTACT BETWEEN HORSES AND PEOPLE

The most common path for spreading germs and disease is contact among horses, humans and other animals. Bodily fluids such as nasal discharge, saliva and sweat can carry germs which are easily transmitted from horse to horse through direct and indirect contact.

Limit **horse-to-horse** contact, **horse-to-human-to-horse** contact, **horse-to-dog (other animal)-to-horse**, and/or **horse-to-dog-to-human-to-horse** contact.

1. **Dogs must be on a leash controlled by a human.** Dogs can be a leading cause of the spread of germs – horses nuzzle the dog, people pet the dog then pet the next horse – and before you know it, the germs have been spread. Please be courteous and clean up after your dogs on the grounds.
2. **Restrict unnecessary movement of horses out of their aisle or barn.** Coming into nose-to-nose contact with other horses or soiled surfaces can spread germs.
3. **Don't let horses make nose-to-nose contact** with horses from other barns when in common areas such as wash racks, at the rings, or while grazing.
4. **Do not touch or pet, or feed treats to horses** from other barns unless you have the owner/rider's permission. Be mindful that you may be spreading germs from one horse to another when you do this.

EQUIPMENT HANDLING

Soiled equipment is another common path for spreading germs and disease. Nasal discharge, saliva, sweat, and even soiled bedding can carry microbes and spread them via shared items such as tack, equipment, hoses, buckets, grooming supplies and towels.

1. **Do not let water hoses touch buckets when filling.** Contact with a contaminated surface on a water bucket can be easily transmitted to the next bucket contacted.
2. **Do not allow horses to drink from the hose.**
3. **Do not share water or feed buckets.**
4. **Have hand sanitizer readily available** and use it between grooming/tacking up horses. Keep it handy in the grooming stall and in your grooming box at the ring
5. **Use clean brushes and towels on each horse.** If you don't have enough brushes for each horse to have his own set, be sure to wash them often.
6. **Don't share tack, equipment or grooming supplies,** especially bits and bridles, unless they are cleaned between each use.

COVID-19 PROTOCOLS

The COVID-19 health and safety protocols will be followed as outlined by Moose Jaw Exhibition Company Ltd. and the Saskatchewan Health Authority (SHA) at time of competition. Guidelines as of July 11, 2021 do not require social distancing or masking; however, if SHA regulations change, Moose Jaw Exhibition Company Ltd. will follow and enforce most current rules at the time of the show.

This competition is being held during a pandemic. By entering the show, you acknowledge that contracting COVID-19 is a risk and release the RDDA and Moose Jaw Exhibition Company Ltd. Of any liability.

CONCUSSION PROTOCOL

In the event of a fall/accident where a concussion can be reasonably suspected, the competitors must receive medical clearance by qualified medical personnel onsite before continuing to compete. The competitor is not permitted to re-mount until the assessment has been completed (A101.2).

The competitor is solely responsible for ensuring the onsite medical assessment takes place. Should a competitor refuse to be evaluated, they will be disqualified from the competition (A101.4).

If onsite qualified medical personnel suspect a concussion or believe the competitor may be at risk of concussion due to the nature of the fall or impact, the competitor will be suspended from competition and placed on Medical Suspension List until medically released (A101.4).

Competitors will remain on the EC Medical Suspension List until they submit an EC Return-to-Sport Form signed by a licensed physician to EC (A101.7).

No competitor shall compete at EC sanctioned competitions while on the EC Medical Suspension List and competition organizers may refuse entry to anyone currently on the list (A101.8).

In the event that paramedics need to be called in, the cost will be the responsibility of the competitor or their parent/guardian in the case of a junior rider. The costs will not be the responsibility of the RDDA.

STATEMENT OF PRINCIPLES

- Requiring that horses be treated with kindness, respect and compassion, and that they never be subjected to mistreatment;
- Ensuring that all Equestrians including owners, trainers and competitors, or their agents, use responsible care in the handling, treatment and transportation of their own horses as well as horses placed in their care for any purpose;

SAFETY, INCLUSIVITY, & EXCELLENCE

Your guide to the latest updates for the competition season in Canada

IMPORTANT CHANGES have been implemented to enhance the safety and inclusivity of equestrian sport. Whether you're an athlete, parent, coach, official, or competition staff, your role is crucial in upholding these standards. Here's what you need to know:

SAFE SPORT TRAINING PREREQUISITE:

- The two free EC Safe Sport training modules must be completed before purchasing a Sport Licence. Check your training status on MyEC by clicking on the ECampus button.

DISCONTINUED TEMPORARY LICENCES:

- Temporary EC Sport Licences are now discontinued at competitions. All riders, owners, and coaches must possess an EC Sport Licence to participate in events.

AVAILABLE SHOW LEVEL UPGRADES:

- Explore higher-level competitions with temporary upgrades via your MyEC Portal. Note: National Rankings Points are not tabulated for upgraded results.

COACH STATUS REQUIREMENTS:

- All coaches at EC-sanctioned events require EC Licensed Coach Status. For upgrading from Registered to Licensed Status, coaches can apply for a Temporary Coach Status (TCS) to fulfill the requirement for each event.
- New for 2024: A TCS may be purchased conveniently online via the MyEC Portal only. Each TCS is valid for a single event.

EMPOWERING SELF-COACHED ATHLETES:

- Athletes without a designated coach can declare themselves as self-coached by providing their name and EC Sport Licence number on their entry form.

“ When registering for EC sanctioned competitions, athletes must indicate the name of their coach on the entry form or specify that they are self-coached. Coaches from other countries, must be in good-standing with their home federation and must declare/have proof of insurance.
